51	1120	5	5

**Сер.320 / Ser 320:**

Приложение: В системи, изискващи по-високо работно налягане за транспорт на въздух, вода и др. течности.

В градинарството, селското стопанство, за битови нужди и други.

Подходящ за ХВП. Сертификат IANESCO.

Application: In systems requesting higher working pressure for transport of air, water and other liquids.

Gardening, Agriculture, everyday necessities, etc. Non-toxic, suitable for Food industry. Certificate IANESCO.
